

Fig Class News

February 6th - 10th 2012

Volunteers Needed

Science Fair Organizers (Feb. 16 set up and clean up)

CMP Olympics for Fig (Basket Donations, Activity and Auction Items)

ksanders@cacmp.org

Science Packet

Students should have finished their outlines and be typing their rough drafts. Thursday and Friday, they will present their topics to the class. Final, typed drafts are due next Thursday.

At home, students should have conducted their experiment. Display boards are due next Thursday, February 16th.

February Book Report Update

Due to the increased work load surrounding the Science Fair, we have decided to forego February book reports. The book report theme would have been Fantasy/Science Fiction and we would like students to choose a book with that theme to read during Silent Sustained Reading (SSR) when they are not reading their assigned Literature Circle books.

When we resume book reports in March, the theme will be Adventure. Students will be able to choose between either theme for their book report and book talk.

Special Person: Jacob P.

Jacob P. is a fourth-grader who has two dogs, Caslan and Bisquit, and a sister named Jordyn. He plays flag football, soccer and possibly rugby. His favorite book is The Fire Within.

Dates to Remember

2/13 **No Homework this Week**

2/16 Science Fair (3-5pm)

2/17-20 **No School/Presidents' Day**

3/2 Spirit Day: Pajamas

3/6 **4th STAR Writing Assessment**

Check out the CMP weekly Newsletter and monthly Calendar for more details.

Phone Call Policy

In order to maintain a peaceful work environment, we are limiting disruptions by asking that students refrain from making phone calls during the school day. Students are welcome to make calls from the office after school dismisses. An exception is if a student is ill and needs to leave school for the day.

Homework Due 2/10

***Parents must correct and sign each page.**

Math: 4th - Packet

5th - 4 pages in "Key to" Book

Spelling: Lesson 18

Parents Sign Off Science Packet Step 5 on Thursday
