

Fig Class News

August 24, 2011

What an amazing first week in Fig! It was fun participating in community-building activities and getting to know one another and our new classroom routines!

Last week we began our math and language assessments. This week we will continue with assessments and begin our language and math Albanesi curriculum.

Cultural rotations started this week, and we will be answering questions regarding them at our Back to School Night, this Wednesday at 6:00pm.

In addition, Back to School Night will address parent volunteering, field trips, homework, classroom routines, and other important items. You won't want to miss this opportunity to meet all the upper elementary teachers and ask questions about the coming year!

Look for the PURPLE HOMEWORK FOLDERS to begin coming home next week! They go home on Friday and are due back to class the following Friday. Questions about homework? Come to our Back to School Night!

-- Mrs. Sanders and Mrs. Tattersall
