

Fig Class News

October 10th – 14th, 2011

Greetings Fig Families!

Beginning-of-the-year assessments have been completed and students are settling in nicely to our classroom routine. We have noticed great improvement in students' time management and focus, and we are continuing to discuss strategies for success and consequences for poor choices.

Parent/Student/Teacher Conferences:

Mrs. Sanders is looking forward to meeting with all of you during conferences this week. If you have not already signed up for a time, please stop by or email (ksanders@cacmp.org) to arrange a time. It is important that your child attend the meeting as well.

Lockdown Drill: Our campus will be holding a Lockdown Drill in the next few weeks. We have been discussing our lockdown procedures with students so that we will all be prepared for the upcoming drill. We will have advance notice of the drill to ensure that it runs smoothly and with minimal confusion. As part of our preparedness kit, our classroom needs a flashlight, 2 jugs of water, and granola bars or other non-perishable food. Donations appreciated!

Please remember that in the event of an actual lockdown, classroom doors may not be opened for any reason. Thank you for ensuring the safety of all the Fig students!
