

Fig Class News

November 7th – November 11th, 2011

Greetings Fig Families

This Week in Fig: We are starting our Fairy Tale unit in writing. Students will be researching and writing fairy tales, tall tales, and fables. We will begin by writing “Just So” stories with a partner.

Parent Volunteer Opportunities!!

On December 9th, the Fig Class is hosting a holiday-themed **Kids Night Out**. We are looking for a lead parent and volunteers (the more the merrier!) to help with planning, preparation and activities.

The Fig Class will also be participating in the Folsom Zoo’s **Wild Nights and Holiday Lights**. This enchanting event is held on 13 evenings in December, and includes beautiful holiday lights, carolers and refreshments. Fig parent volunteers are needed for each night and a portion of the proceeds go directly to the Fig Class! This is a HUGE fundraiser!

Please contact us to help! We need volunteers lined up before Thanksgiving.
