

Fig Class Book Reports

Each month, Fig students will read books from a different genre. They are responsible for reading at least one book from each genre and presenting an oral report to the class (the last week of the month). Students will be asked to take Accelerated Reader quizzes and add a link to our paper chain for every book that is read in the assigned genre during the month. We have books in our classroom library but encourage students to visit their local library as well to find what interests him/her. Here is the schedule:

August / September:	Newbery Award Winner
October:	Mystery
November / December:	Biography
January:	Animals
February:	Fantasy / Science Fiction
March / April:	Adventure
May / June:	Free Choice

Oral Reports should be no longer than 3 minutes and contain the following information:

- * Title of the book
- * Author of the book
- * A little about the main characters
- * Setting of the book (where and when it takes place)
- * Plot of the book (This is a summary of what happened, but don't give away the ending!)
- * Whether or not you would recommend the book to a friend and why
