

## *Fig Class General Information*

- Birthday Celebrations:

We are happy to recognize your child's birthday at morning circle, and they may choose to have us sing or not. If your child would like to share treats, they may be distributed at the end of the day and students may enjoy them after they leave campus. So please send treats that travel well.

- Slippers:

Slippers are required in our classroom. If you have not done so, please send your child with a pair of plain, comfortable slippers that they may leave at school. Croc-type shoes are perfectly acceptable, as long as they are dedicated to indoor use.
