A Note from the Teachers

International Day of Peace & the World Fair:

We will be discussing the world and peacefulness this week. Homework folders will have Africa research assignments. Also, check out our pinwheel display throughout campus and ask your child about how they perceive the concept of peace and perhaps world peace. Children are often profound thinkers.

Seven Habits of Highly Effective Volunteers:

We would love to have our volunteers start working in the classrooms and encourage you strongly to attend this workshop so you are able to do so. It is a fabulous tool with great concepts and is in the best interest of our children. Sign up asap for learning fun!

Autumn Starts this Week:

Summer is officially over as of Tuesday. Remember to dress for outside weather. This time of year layers are usually good.

Ms. Rose & Mrs. Molly

Dates to Remember

September

09/21/09 International Day of Peace

09/22/09 Autumn Equinox

09/28/09 Seven Habits of Highly Effective Volunteers
