Mrs. Rogers

Discovery Museum Field Trip

This field trip is always a favorite of students and parents. Students participate in a simulated "Mission to Mars". They see what it's like to work in Mission Control as well as the Spacecraft.

Science Fair

The Science Fair will be Thursday, February 16th from 3 to 5pm. Students will bring in their experiments that morning so we can have them on display for peers and families at the end of the school day.

Please refer to the Science Fair information that was sent home and is posted on the Maple page for specifics.

Classroom News By Ben

Last week we were all a bit tired after coming back from the three week break. This week is going great! The break went well and we all needed some time off of "school mode."

Science Olympiad

Do you enjoy Science? The Science Olympiad team is forming and will consist of 5th through 8th grade students.

Beginning January 23, the team will meet every Monday after school in the Maple classroom. Meetings finish at 4:15. Please direct questions about Science Olympiad to Mr. Thomas. He can be found on campus (Sequoia classrooms) and by
