Mrs. Rogers

Mrs. Gerstle

## Going Away by Kyle H.

I will be going to a new school called Pleasant Grove. I have been at CMP since Kindergarten and my last day was Friday, September 23rd. The reason I am going to a new school is because my sister has Lyme disease and my mom might have to take my sister to San Francisco and she would not be able to pick me up from school. We have 10 neighbors that can take me home from school. I will miss the school a lot. It has so many great people and staff that have been very kind to me. I am leaving behind my best friend and will miss him a lot.

## Responsibility

### September Character Trait

To have good character, we have to do more than say we are responsible. We must take action. Responsible people take care of themselves as well as others and can always be counted on to do the right thing, even when the right thing is hard to do.

## Sports

Sixth grade boys—Interested in joining the CMP basketball team? If so, please make sure you sign up with Mrs. Thomas and continue to watch the school newsletter for more information. Parents need to turn in permission slips, donations and physical forms.

*“Responsibility is not about blame, it is about accountability.”*

*-Character Counts*

## Chaperone Lottery

The Chaperone Lottery for all 4/5/6 field trips will be held the week of October 3rd. If you have your forms and requirements completed by the September 30th deadline, your name(s) will be put into the lottery. Results for those that were interested will go home in Wednesday folders on October 12th.

## Weekly Planners

Thank you for signing your child's weekly planner each Thursday night. Please also take some time to talk with them about their week. Ask them what worked and what didn't work for them. If they have items listed in the Missing Assignment section, please talk with them about their "plan" for how they are going to complete their work. They are welcome to make appointments with Mrs. Rogers before and after school for additional work time and/or help.

## Special Person—Stevi

Stevi is a fifth grade girl who loves animals. Her favorite sports are cheer and gymnastics. She also loves to travel.

## Homework

Spelling = Lesson 4

5th grade Math = 4 pages from the "Key to" book

6th grade Math = daily assignments

## Dates to Remember

- |         |   |
