Planners for 6th graders

The students seemed to enjoy the new weekly planner and have used it for one full week now. In today's green folder, you will find a spreadsheet containing your sixth grader's assignments for last week and the status of each assignment. If something is "Missing", it may not have been started or they may have forgotten to turn it in. If an assignment is "Incomplete", it means that it was turned in but is not finished yet. Students can get Missing or Incomplete work checked in daily if they are ready to.

This is a new process for the sixth graders so please have a conversation about how their first week went. If they have outstanding assignments you will want to ask if they have a "plan" on how they will get this work done. Please email or call if you have any questions.

Special Person

Tiffany

Tiffany is a 5th grade girl. She likes ice skating and swimming. She has recently started taking golf lessons.

October Character Trait Self-Discipline

Self-discipline is thinking about your words and actions and then making choices that are right for you and others.

"While we try to teach our children all about life, our children teach us what life is all about."

Angela Schwindt

World Fair

Thanks to all who attended Monday's World Fair. It was a wonderful opportunity to see what the students have been working on at school and at home. It was well attended and a huge success! A big thank you to Ms. Yarbrough and Ms. Witwer for providing all of the passports and stamps.

Breakfast Opportunities on Campus

Most families know that CMP offers lunches to pre-purchase every Tuesday through Thursday but not everyone knows that "breakfast is served" two days a week on campus for a nominal fee.

The Kindergarten through 3rd grade classrooms alternate sponsoring a pancake breakfast every Wednesday. You can check the board out front as well as the campus newsletter to determine which classroom it will be in.

Quoia Café is a middle school student run business and offers muffins, cocoa, and more every Friday.

Homework

Spelling = Lesson 7

5th grade Math = 4 pages from the "Key to" book

6th grade Math = daily assignments
