New Grade Level Rotations for Fifth Graders

The 4/5/6 team has re-organized the fourth and fifth grade rotations. These groups will meet 4 days a week for an hour each day. Social Studies will be covered 2 days and Science the other 2. We feel that the students will be more organized and better prepared knowing exactly which day each subject is being taught.

Writing and Literature will now be covered in the individual classrooms. It's an excellent opportunity for the 5th and 6th graders to work together on a variety of activities and show their creativity.

Sixth grade rotations will also be Social Studies and Science (which is what we've been doing) 4 days a week. These new rotations will start Monday, the 31st.

Special Person Bryson

Bryson is a sixth grade boy. He has a dog named Grace and two cats (Montana and Lily). Bryson likes to dance. He has an older brother, Christopher, and an older sister, Makayla.

October Character Trait Self-Discipline

Self-discipline Vocabulary:

- Self-control
- Discipline
- Restraint
- Composure
- Firmness
- Patience
- Poise

“Attitude is a little thing that makes a big difference.”

Winston Churchill

Classroom News by Jayson

Bryson and Kane are teaching us a dance that we are going to perform at the next Spirit Day Assembly. We are really excited about that!

The field is doing great and is starting to grow. We can't wait until we can play on it again!

Homework

Spelling = Lesson 8

5th grade Math = 4 pages from the "Key to" book

6th grade Math = daily assignments
