Career Day Field Trip By Grace

On Friday, October 21st, all of the sixth graders (Birch and Maple) went on a "Career Day" field trip at Folsom Lake College El Dorado Campus. This field trip was fun! Everyone had an interview with their peers that they were grouped with. After the interview, there were booths to learn from and tour.

At noon it was time for lunch. Our lunch was ham and cheese sandwiches, carrots, and peaches.

After lunch, we had a tour. We went to a place where there were two awesome telescopes and we could see the moon with one of them. The next place we went to was the observation center. Everyone just laid down and relaxed. After that it was time to go back to school.

Special Person Daniel

Daniel is a fifth grade boy who likes to fish and ride his bike. He likes old muscle cars and has two cats named Calvin and Hobbes.

"Attitude is a little thing that makes a big difference."

Winston Churchill

Tall Ships Fifth Grade Field Trip

The fifth graders will be setting sail on their Tall Ships adventure Wednesday, November 9th. We will need to leave campus no later than 8am so please have your child at school by 7:45 so we can get them put into car groups and on their way.

No disposable lunches are needed as the children will be leaving their lunch boxes at school. We will eat at school when we return at about 1:00pm.

Please check the weather reports and have your child(ren) wear layers. We are going to have a great morning on the water!

Homework

Spelling = Lesson 9

5th grade Math = 4 pages from the "Key to" book

6th grade Math = daily assignments

Dates to Remember

- Nov 4 Homework Due
- Nov 4 Spirit Day—Sports Jerseys
