...a note about our activities & lessons...

MONTESSORI LESSONS

As we continue creating a quiet meaningful work period, it will include word building, math, sensorial, geometry, handwriting, creative writing and a problem of the day.

OUR CULTURAL WEEK

This week we will continue learning about holidays around the world. Each day we will learn about the history and customs of many other countries including Mexico/Las Posadas (which was rescheduled from last week), Santa Lucia (Sweden) Hanukkah (Israel) and common activities celebrated around the world and the United States. The children have had a lot of fun learning about other cultures and their customs. We are looking forward to another fun week of cultural activities.

Friday PJ Day

The children will be allowed to wear their favorite PJ's and bring their favorite stuffed animal. We will be interviewing their animal and sharing those interviews with our class.
