## January 27, 2010

### Classroom News

The children have presented their reports and projects. There were many well written reports and creative projects and their orals went quite well. We are now beginning our unit on electricity and magnetism.

Our class practices for the STAR Test by working in our California Test Practice booklets. We do this daily together. This is the CTP that you see on their planners. Make sure to check your child's green folder this Wednesday since it will contain their report cards.

### Friday, January 29<sup>th</sup>

If your child is not attending the Exploratorium Field Trip, they need to be at school. I will be staying back and having a fun day with the students. We will be doing some fun science experiments.

### Garden Of Learning

HELP! We need another Garden of Learning parent. You would only need to be here every other Wed. and present lessons that have been written up for you. You don't need to know anything about gardening. ☺

Thank you,  
Mrs. Kelleher and Mrs. Galiata

### Dates to Remember

- |                |   |
|----------------|---|
| <b>Jan. 28</b> | Homework Due<br>Fantasy Book Report Due |
| <b>Jan. 29</b> | Exploratorium Field Trip                |
| <b>Feb. 5</b>  | Homework Due                            |
| <b>Feb. 11</b> | Homework Due (Note Date Change)         |
| <b>Feb. 12</b> | No School-Lincoln's Birthday            |
| <b>Feb. 15</b> | No School-President's Day               |

*Bakers for the week of Feb. 11<sup>th</sup> are:  
Miranda, Cordaellia, Ben, Zack, Drew,  
and Kyle*

The special person this week is Madeline. She enjoys going to friend's houses and sleeping over and going to movies in her free time. She likes macaroni and cheese and yummy watermelon.
