A Note From the Teachers:

Dear Willow Families,
Welcome back from a nice, long break! We hope it was as restful for you as it was for us.

In addition, thank you so very much for the thoughtful cards, gifts, and well-wishes! We really appreciate everything that you do for us.

New this month is the biography book report! The premise of the assignment is for each student to find a book about someone she/he admires or is interested in, and create an award for that person using the information found. Then each student will present in class. Each classroom will have an "award ceremony" for students' recipients. What a great way to honor people we admire! Look for it this Monday.
