## A Note From the Teachers:

Dear Willow Families,  
Brrrr! It's beginning to look a lot like winter! At least, that's what the weather people have said... Students should make sure to bundle up and wear rain-appropriate shoes beginning this week.

If it is possible, we are asking that students work on Rosetta Stone at home in order to allow for more work time in this area.

You'll notice that incorporated into the planners this week will be several assessments: Accelerated Math, Accelerated Reader, and DIBELS (Reading). These assessments will be used to compile all the necessary information that we need to provide a holistic view of each

student, both for our teaching and for families to see progress and needs. Report cards will be coming home on the 27<sup>th</sup> of January.

Have a great week!
