- **Lorenzo** 2/20
- **Ryleigh** 2/27

A Note From the Teachers:

Dear Willow Families,
This week you will see a couple of what we like to call "Wild About ... Work Days". Wild About Work Days are when work time is devoted to a certain subject, such as Math or Writers' Workshop. Students get to focus and catch up (if needed) on one area of study. Look for these days on our planner this week.

This just in! There are so many fantastic activities coming up at CMP Shingle Springs! See our blurbs below...

- **The 2012 CMP Shingle Springs Science Fair** will be held on Thursday, February 16th from 3:00-5:00pm. Packets of information went home in last week's homework folder and have been posted online to each of the 2/3 class pages. **Students may choose between the "Science Fair Project" and the "Scientific Method" formats.** We can't wait to see all of the creative experiments that are brought in! Go to <http://school.discoveryeducation.com/sciencefaircentral/> to get great ideas for science

fair projects!

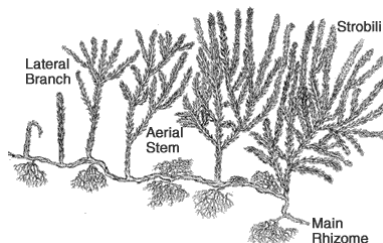

- **Willow Kids' Night Out: Valentine's Theme.** It's going to be sweet!! Lot's of Crafts! Yummy Hot Dog Dinner! Groovy Movie! **Right after the Science Fair...5pm to 9pm.** Come for the Science Fair, then go out for a date night to relax!
- The spring fundraiser, **CMP Olympic Games on May 12, 2012.** is coming up quickly!! Willow needs your help with organizing, executing, and donating for a "Fishing Off of Mr. Boley's Boat" station, class auction item (Willow Class Craft Castle Ceramic Plate), and "Baby Shower" themed classroom basket. Let us know if you are interested ASAP!

Have a fantastic week!

~Mrs. Boley & Mrs. McDaniel

New and Exciting Cultural Rotations!

- Art:** Greeting Card Project
- Botany:** Aerial Stems
- Geography:** Study of Biomes (Shelter and Food)
- History:** 2-Timeline of Life
