Week 2 and How do you do?!

A Note From the Teachers:

Getting to know students is always a pleasure. Seeing our returning students after summer break is also fun because they've grown so much! This week we will be continuing our assessment process to get to know our students' strengths and needs. Along with Montessori Great Lessons, Science Experiments will also be presented to demonstrate how various aspects of scientific phenomena have helped the world to develop over time.

Last week, we went over the following concepts in class:

- **Math:** History of Numbers (all), Crisis of Nine (2nd), Expanded Notation (3rd), Teen Board (2nd), Addition Facts (3rd), and various assessments
- **Language:** Story of Writing (all), Prefix Key Experience (all), Suffix Key Experience (all), and various assessments
- **Writers' Workshop:** Parts of a Paragraph (3rd), and various assessments

Lastly, we hope to see you all at Back to School Night! Receive invaluable information on classroom traditions, policies, and volunteer opportunities!

Coming Up!!! Cameron Park Lake Field Trip!!

Be Sure to Get Those Permission Slips In!!!

Don't Forget! **Friday, August 26th** from 11:30am-7:30pm is our bi-annual Cameron Park Lake 2/3 Family BBQ. There will be hot dogs and veggie dogs with toppings and lemonade. Each student should bring a dish to share: casseroles, fruits, veggies, salad, main dishes, or desserts. There will be P.E. games, arts & crafts, as well as our famous "Lego Blanket". **Students may also bring a white t-shirt to paint in our arts & crafts area!!**

Willow Pancake Breakfast

Willow Pancake Breakfast is almost here (August 31st at 7:30 am)! Join us for our first fundraiser and have a SWEET TIME gobbling fluffy pancakes served up by our parent volunteers!

Special Person:

Mrs. Angela Boley

About Me: I have a husband named Paul, and two daughters named J'Nae and Shawna. My pets' names are Halley and Bella.
