No School
- 9/12 School Picture
Day
- 9/13 Willow Class
Picture Day

Week 3 is a great place to be!

A Note From the Teachers:

Thank you to all of our Willow families for participating in such a fabulous field trip last Friday! We couldn't have done it without all of our great chaperones and drivers, as well as all of the yummy foods that were brought. Thank you to our wonderful 2/3 staff for each of the contributions made to make our field trip so memorable! It was so wonderful getting to know all of our new families and spending time with all of our returning families!

A change has been made to the Willow class picture day. Our day is now **Tuesday, September 13th**.

Last week, we went over the following concepts in class:

- **Math:** Subtraction Facts (3rd), Bank Game (2nd), Addition Facts (3rds), Ten Boards (2nd), and various assessments
- **Geometry:** Geometry Lesson – Point, Line, Surface, Solid (all)
- **Language:** Noun Family Key Experience (all), Verb Key Experience (all)
- **Writers' Workshop:** Parts of a Paragraph (2nd), 6+1 Writing Traits (all)

Maria Montessori:

why we are all here...

Happy Birthday, Maria Montessori! You developed a tried and true method of teaching which students benefit from each year here at CMP and all over the world! You still inspire teachers to follow the child and to reach for living life as a perpetual learner, even into adulthood.

Willow Pancake Breakfast

Willow Pancake Breakfast is almost here (August 31st at 7:30 am)! Join us for our first fundraiser and have a SWEET TIME gobbling fluffy pancakes served up by our parent volunteers!

Special Person:

Mrs. Emily McDaniel

About Me: I have a husband named Mark, a four-year-old daughter named Samantha, and a three-month-old named Brandon. My cat's name is Silver and my snails' names are Gary and Sherri.

Homework:

Share with your family all the neat information you've learned about Science!!
