## A Note From the Teachers:

Thank you so much to Mrs. Bertram for teaching students about science through ice cream! She really helped to further demonstrate how ice and salt work together to decrease temperature.

### Cultural Begins Soon!

Look at what your student will be learning...

- Art: "Everyone Can Do Art!" based on the book "The Dot".
- Botany: KWL Chart about flowers and leaves
- Geography: Space
- History: First Great Lesson-"Born With a Bang"
- VAPA: Readers' Theater
- Zoology: Living vs. Non Living

We had our first Pancake Breakfast last week, and WOW, what a turn out! Thank you to our volunteers that day! We made quite a bit for our classroom!

This Tuesday we began homework. See below for details.

**Reminder:** A change has been made to the Willow class picture day. Our day is now **Tuesday, September 13<sup>th</sup>**.

Last week, we continued assessments and went over the following concepts in class:

- **Math:** Subtraction Facts (3) and Addition Review (2)
- **Geometry:** Drawer of Polygons (all)
- **Language:** Noun Family (2)
- **Writers' Workshop:** Writing Sample Revisions (all)

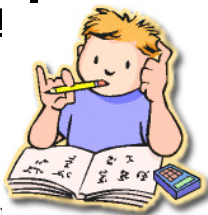

### Reminders...

1. **Parent volunteers may start coming in! We would love to have you!**
2. Please return volunteer passes to Tricia in the Office! She has a bunch missing.
3. Students are having growth spurts! Please make sure female students have shorts and/or skirts that are at least finger-tip length.

## Homework

**Please see Informational Handout that came home Tuesday!**

- **Spelling:** Lesson 1
- **Math:** One row on each side of the sheet per night
- **Math Facts Practice:** See latest math facts test to know what to practice
- **Read each night for 20 minutes.**
- **Practical Life:** Help make a side dish of food for your family's dinner

## We are looking for:

A dresser to help us organize the 2/3 shed!! If you have one, we would be ever so grateful as our shed is in need of organizing once again.
