- In House Art Workshop: Crocker Art-to-Go 1/20

A Note From the Teachers:

The Willow Class is rockin' and rollin' with lots of hard working students! Normalization, or the time when students become used to the routine and flow of the environment, is happening. We see it in students being able to complete more tasks in a timely fashion, in the occurrence of students knowing where materials are and how to use them. We see a familiar and comfortable feeling spread through the classroom each day. Willow starts to feel like the next best thing to family.

Guess what?! The Willow Family Phone list is out! If you are a parent volunteer

who needs to call a back-up or your student wants to ask a classmate about the latest book report, the Willow Phone List makes it easy! Simply refer to the CMP email from last week.

Last week, we continued assessments and went over the following concepts in class:

- **Math:** Static Addition (2), Key Experience for Division (3)
- **Geometry:** A Line and its Parts (2), Curved Lines and Segments (3)
- **Language:** Homophones (3), Antonyms (2)
- **Writers' Workshop:** Writing Ideas (6+1 Traits) (all)

Next Week...
New Cultural Rotations
and World Fair News!

Special Person:

Aydan

Favorite Food: Pizza

Favorite Animal: Shark

Favorite Plant: Rose

Favorite Hero: Superman

What is something really neat that you have done?

I put together a light saber with a friend.
