A Note From the Teachers:

What a wonderful autumn break. Hopefully it was as restful for all of you as it was for us. Now, we have an action packed few weeks ahead of us! We will be beginning assessments for the upcoming report cards, studying various world cultures and traditions, and continuing to work on building upon lessons previously studied. Soon, January will be here which is when students typically blossom, and true progress is apparent. We can't wait!

Coming soon... will be our Fabulous Field Trip to the California Aerospace Museum and the American River. The trip is on Thursday, December 8th. Permission slips were emailed Friday before the autumn break. Hard copies went out to the students remaining after the Thanksgiving Performance, and will be given to all other students this Monday. We will need lots of parent chaperones to drive. Please mark clearly on your

student's form if you are clear to chaperone and drive and how many students you can accommodate.

Here's a look at the wonderful subject areas that we focused on the last week of school:

Mathematics: Fraction Reducing (2), Fraction Review (3)

Language: Sentence Analysis (cont.) (all)

Writers' Workshop: Novel Writing (cont.) (all)

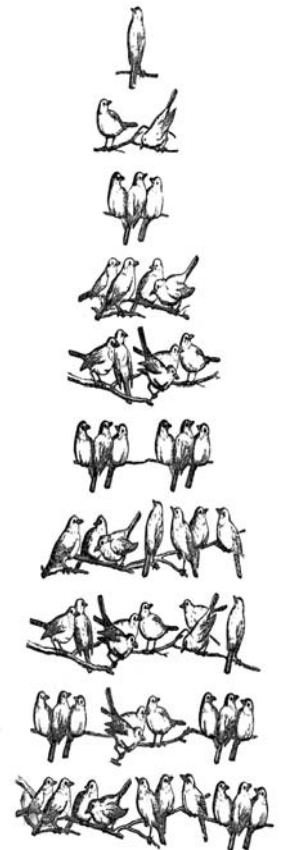

2/3 Toys for Tots Drive!!

As a grade level, the 2/3 teachers have chosen Toys for Tots as our philanthropic project this season. Please look for our toy collection barrel at pick up in order to donate new, unwrapped toys to help needy children in the community.
