Executive Director

Gary Bowman, M.S. Ed.

2007-2008 School Year

Dear Parents and Guardians:

On behalf of the faculty and staff of California Montessori Project, I extend a warm welcome to our new and returning families. We value your commitment to our schools, and appreciate that you have chosen to entrust the education of your children to our CMP teachers and administrative team. Our organizational goal is to provide a powerful and effective Montessori education, while, as a California Public Charter School, we seek to honor state standards and requirements.

After six years of operation, CMP has developed a solid Montessori program that meets the needs of our students and families. Our goal for the seventh year is to pursue excellence in our program and to serve our learning community in a fully collaborative manner. CMP is committed to providing students with appropriate learning materials, as our highly-trained Montessori teachers facilitate your children's education, including academic and social lessons. We value, and expect, your involvement in the education of your children. This is demonstrated through your fulfillment of parent volunteer hours, your children's daily attendance, and consistent dialogue with your children's teacher.

Together, we have an opportunity to invest in the future of our families, our communities, our nation, and our world. Most importantly, we have the opportunity to promote the sense of mission, respect, and dignity of our children. This task requires great effort on all of our parts, and can be achieved through nothing less than our full dedication of energy and focus. We believe that, through our collaborative efforts, California Montessori Project can be the vehicle which will allow us to raise our children as responsible, caring, and productive people, fully prepared for adulthood in the 21st Century.

I look forward to serving you and your families!

With Warm Regards,

Gary Bowman, M.S. Ed.
Executive Director
