Code of Conduct for CMP Parents Driving on a Field Trip

Thank you for your contribution to the school and the students. The following Code of Conduct was developed to ensure an optimum learning experience for all. We appreciate your willingness to abide by this code.

In the spirit of Montessori, all members of the school community (staff, students, parents and guardians) will strive to exhibit grace and courtesy at all times. By exhibiting the qualities of respect, dignity, self-discipline, and cooperation, adults are the models of those values we wish to see in the children.

- Show respect toward all people and their ideas, beliefs and opinions.
- Be an advocate for school programs and philosophies. Recognize and support the customs and traditions of the school. Demonstrate pride in the school, teachers and students.
- Establish a supportive relationship with teachers and the principal. Commit to developing and practicing understanding and trust.
- We are committed to direct, solution-oriented communication. It is the goal of the administration and teaching staff to address concerns in a timely manner when they are brought to our attention. Please bring concerns to the teacher or principal as soon as possible. We strongly discourage participating in unhelpful discussions in parking lots, etc. When individuals choose to discuss their concerns with you, please redirect them to the appropriate individual.
- As a parent volunteer, please respect the ability of the teacher to direct their own classroom. Reserve discussions for a time when the teacher is not directly responsible for the students.
- Maintain student confidentiality. Under no circumstances should you ever discuss a student with parents, other students, or outside parties.
