Scott Porter

CMP Board Nominee – Elk Gove Parent Representative

My name is Scott Porter. I am asking for your vote for the CMP Governing Board.

I am married with three children. I work as a Supervising Deputy District Attorney. My wife is a CMP Substitute Teacher's Assistant. We have two Upper-El children at CMP. Our third child graduated from CMP last year. I have coached CMP basketball for the past six years, and have chaperoned numerous field trips.

I have served on the Governing Board since fall 2014. We have overseen many changes and additions to all CMP campuses - I believe for the better. In the coming months we will be selecting a new Executive Director and we will work together to guide CMP into a bright future.

All of our campuses are in a very good place in social, financial, and academic terms. I hope to continue to foster that environment as much as possible by providing administrators, teachers, support staff, students and their parents with the tools to succeed.

Board members and CMP administrators are committed to providing your children the best Montessori education possible. I look forward to working with them and continuing my small part in that endeavor, if you will have me.

Thank you.
