COMMENTS:
We held our Middle School Information Night on 12/5, in which current CMP-Carmichael families met our Middle School teachers, listened to presentations about the Middle School program, and had a Q & A session with program alumni, teachers, and administration. We appreciated our families’ participation in this important evening, as they gained insight into the culmination of our K-8 program. Further, our alumni visitors were outstanding representatives of the benefits of a Montessori education from kindergarten through 8th grade. On 12/11 we held our 2nd annual our Kindergarten Winter Program, featuring seasonal songs performed by our 6 classes of kindergarten students. Families and students had a wonderful evening! On 12/18, our 4th grade students participated in a workshop called A Touch of Understanding, a youth disability awareness program. During the workshop, students had experiences using assistive devices, navigating campus using wheelchairs and using mobility canes. Students also listened to speakers with disabilities who shared their experiences and insights with students. This workshop has been annual activity for our 4th grade students and successful in building their empathy and awareness. Lastly, it was announced that the Kiwanis Club of Carmichael is awarding a $1000 grant to CMP-Carmichael to support our implementation of PBIS. We so appreciate the support of this wonderful community organization!
