AND
CALIFORNIA MONTESSORI PROJECT CHARTER SCHOOL- ELK GROVE CAMPUS

This Agreement (or Memorandum of Understanding “MOU”) is executed by and between the Board of Trustees of the Elk Grove Unified School District (hereinafter referred to as “District”) and the California Montessori Project, a California nonprofit public benefit corporation (“Non-Profit”) that operates the California Montessori Project - Elk Grove Campus Charter School (“Charter School”).

The Non-Profit and District are collectively referred to as the “Parties.” This agreement shall be enforceable only following execution by the Parties and ratification or approval by the governing boards of each of the Parties.

RECITALS:

A. The District is a school district existing under the laws of the State of California.

B. The Charter School submitted a petition to establish a charter school to the District, which the District initially approved on February 21, 2006, previously renewed on April 26, 2011, and renewed again on March 15, 2016 subject to certain conditions. For the purposes of this MOU, the term “Charter” shall mean the Charter School renewal petition approved by the District on March 15, 2016.

C. This Agreement is intended to outline the Parties’ agreements governing their respective fiscal and administrative responsibilities and their legal relationship and other matters of mutual interest.

D. If any provision of this MOU is inconsistent with the Charter, the terms of the Charter shall prevail.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements herein set forth the Parties do hereby agree as follows:

AGREEMENTS:

I. TERMS AND RENEWAL:

A. The Agreement is subject to termination during the term or any renewal as specified by law or as otherwise set forth in this Agreement.

B. The Parties agree that the recitals set forth above are true and are incorporated as essential terms of this MOU.

C. Any modification of this Agreement must be in writing and executed by the duly authorized representatives of the Parties specifically indicating the intent of the Parties to modify this MOU.
1. The duly authorized representatives of the Charter School are the Executive Director and the Board of Directors as a whole.

2. The duly authorized representatives of the District are the District Board of Trustees ("Board") and Superintendent or designee. For purposes of amendment of the Charter, the Board is required to take action.

3. The term of the Agreement is for the term of the Charter. However, the Parties agree to review this Agreement annually. By March 1 of each year during the term of this Agreement, the Parties will present proposed revisions to the MOU, if any. If there is no agreement by April 30 of the then current year, then the existing MOU will continue in effect until mutually modified except that the MOU shall expire upon the expiration, rescission, or revocation of the Charter. The Parties may amend this Agreement in writing at any time during the school year.

4. The District reserves the right of approving material revisions and/or revoking the Charter as specified in Education Code Section 47607.

D. The Charter School shall ensure that the name California Montessori Project Charter School - Elk Grove Campus is correctly spelled in all notifications to the State and in its corporate documents.

- Asian enrollment at CMP, 11.68%, is disproportionately low.
- Hispanic enrollment at CMP, 23.36%, is disproportionately high.
- White enrollment at CMP, 37.38% is disproportionately high.
- Two or More enrollment at CMP, 13.08%, is disproportionately very high.

CMP should pursue a course of action to meet the following enrollment targets in order to minimize disproportionality, with the recognition by the District that the Charter School may not control the racial and ethnic balance of the population of the Charter School resulting from the public random drawing. In its Annual Academic Report, CMP-EG shall describe what steps it has taken to recruit a student population that is reflective of the EGUSD community and the impact those steps have had.

Agenda Item: C.XIII.2. Charter Petition from California Montessori Project

Speaker: Kathy Hamilton

Recommended Motion: The Board is asked to take action and approve or deny the California Montessori Project’s Charter School Renewal Petition for its Elk Grove school.

Rationale:
On January 19, the EGUSD Governing Board received a renewal petition from California Montessori Project (CMP) to renew its Elk Grove charter school. At the March 1, 2016, meeting, Director of College and Career Options Kathy Hamilton presented a preliminary report outlining findings of fact as identified by staff who reviewed the renewal petition. She noted that EGUSD has identified one corrective action and is working with CMP to clarify several other areas, but that the petition otherwise meets guidelines for renewal identified in the Education Code.

If the Board acts to approve the renewal petition, Ms. Hamilton also will inform the Board that a Memorandum of Understanding describing the operational agreements between EGUSD and CMP will be developed and presented for approval on April 5.

Financial Impact: CMP pays EGUSD an oversight fee of 1% of its annual apportionment, approximately $39,000.
