COMMENTS:

We had our Science Fair last week and the students’ experiments were very well done.

Courage is the theme for the month and the Middle School students led the school wide assembly.

“A Touch of Understanding” came to our campus this week and our 4th grade students had the opportunity to participate in this hands-on workshop that promotes understanding and compassion of people with disabilities. The 5th through 8th grade students have attended last year.

We have a Middle School Information Night on the 16th from 5-6:30 pm. The middle school students are also going on their internships at the end of the month.

The teachers and staff are looking forward to the WASC/AMS Accreditation visit.
