10. Consideration of the Dean of Students Level II Compensatory Package (Attachment #18)

11. Board to approve the Executive Director’s recommendation and policy language for a “Separation of Employment without Penalty” policy as presented, effective immediately, March 6, 2017. (Attachment #19)
    a) Comment: CMP values lifelong learners. As an At-will employer CMP cannot hold positions open for employees who wish to take a leave of absence for professional growth purposes. Further, employees who have earned longevity stipends as a result of their years of service and then resign from their positions to pursue extended professional growth opportunities would lose financial standing at the time they wish to return to CMP. The Executive Director wishes to honor long-term service while also providing opportunity for extended professional growth activities, with incentive to return to CMP upon completion of said activities, by preserving the ability to reactivate any longevity stipends that have been earned, upon reactivation of employment. Fiscal Impact: The cost of training and retaining a new teacher is significant. Rehiring a veteran CMP teacher results in significant benefit to the school both short term and long term, while also resulting in higher wages being paid. Fiscal impact of this policy is unknown.
b) **Recommendation:** The Board is requested to approve the “Separation of Employment without Penalty” policy as presented.

**12. Board Review of Comparisons for Executive Director’s Compensation**

   a) **Comment:** The Board formed an ad hoc committee to gather compensation comparisons for positions comparable to the Executive Director of CMP.
   
   b) **Recommendation:** The Board is requested to approve a salary range of reasonableness for the Executive Director.
