

*Orangevale is excited to announce that our library will be open at the beginning of May!*

Each week, your child's class will visit the library to borrow materials, listen to a story, or enjoy a silent reading time. We have hundreds of amazing books that we can't wait to share! To provide the best library materials and service, we ask that families review the following borrowing rules and expectations. If you would like your student to check out materials from the library, please review the information below with your child then sign and return the bottom portion. If you have any questions, please contact your campus at 916-673-9389.

- Only students with signed and returned permission slips may check out materials;
- K-3rd grade students may check out up to 1 book at a time; 4th-8th grade students may check out up to 2 books at a time;
- Books are due back after two weeks or by the last day of school (whichever is sooner);
- Students are expected to keep their library books in good condition and to report any damaged books to the librarian as soon as possible;
- Families may be asked to pay for lost or damaged books that are checked out while under a student's care; a book is considered "lost" if it is overdue for thirty days or not returned at the end of the school year.
